

Global CITIZENSHIP EDUCATION

Did you know... ?

- **Cáritas Diocesana de Canarias** is an Institution of the Catholic Church that has been working on cooperation and development education since 1996 in its network of parish Cáritas in the province of Las Palmas.
- Our Cáritas has 16 parish and archpriest Cáritas groups where fraternal cooperation volunteers developing activities in their municipalities throughout the year.
- Quality educational activities of significant impact require adequate, sufficient and stable material and human resources in order to achieve the expected results.

Cáritas acts by contributing to global citizenship education and transformation towards fraternal cooperation by means of:

- 1** Raising awareness in their community about international cooperation, the causes of poverty and forced human mobility.
- 2** Continuously committing to the reality of the sister Caritas.
- 3** Denunciating the violation of human rights here and in other territories.
- 4** Encouraging the commitment to Fair Trade and responsible consumption.

Ongoing projects for 1000 people:

1 project for global citizenship education and transformation towards fraternal cooperation in the province of Las Palmas.
